Daily Plan

Monday

Tuesday

Wednesday

Thursday

Friday

Checklist

*Print off as many copies of each page as you need.

Remember, unit studies can last for a few days, a few weeks, a month, or even all year. Do what works best for you!

*What subjects have you covered? Do you want to add anything else in?

*Reading

*Writing

*Vocabulary

*Math/math practice

*History

*Timeline

*Geography

*Science

*Bible

*Hands-on projects

*Art/art history

*Music

*Remember to schedule a little extra time for "Rabbit trails."

If your child is anything like mine, you might need it! There's no need to squelch their excitement to learn just to keep on track with the lesson plan.

If you need some extra time (and they're getting a lot out of the study), take it!
